

*******ATTENTION PARENTS*******

***Between the hours of 6:45-7:30am and 2:00-2:40pm, Student Drop Off and Pick Up should be conducted on the Auditorium side building. Parents should enter the school grounds using the bus entrance, merge right and follow the arrows around to the side of the building to drop the students off in the designated area. The parent drop-off is designed to allow parents to drop off/pick up students with minimal disruption to the student drivers and the buses exiting the premises. Dropping off and picking up students in front of the school in the “Senior/Blue lot” is prohibited at this time.**

***To maintain a safe student drop off process, students can only be dropped off/picked up on the sidewalk closest to the building.**

***If the yellow DO NOT ENTER sign is visible (despite the time), vehicles are prohibited from entering the bus lane in front of the school. Thank you for doing your part in keeping our students safe during these chaotic times of the school day.**
